

BULK OF \$350,000 RELIEF BONDS WILL GO TOWARD COUNTY LABOR

Needed Road Work Is Stressed; Other Projects

Rejecting a proposal to provide for use of part of the \$350,000 bond issue for building an addition to the San Mateo county courthouse, the board of supervisors and the county planning commission Monday moved to place the relief issue on the November ballot.

District Attorney Edmund Scott and County Clerk Elmore B. Hinman are taking the necessary steps. Proceedings must be passed by the supervisors on Monday.

The courthouse addition, proposed by Col. Charles N. Kirkbride, San Mateo attorney, was voted down because the report of County Engineer James S. James said that 20 per cent of the money so expended would at this time go to labor, the other 80 per cent going to outside workmen and materials.

Colonel Kirkbride then proposed that a sum to build the addition be put on the ballot as a separate proposition. This was also rejected.

The supervisors and planners' action in voting not to divert any of the funds was taken as the result of Capt. Edward Macaulay's report of unemployment conditions in San Mateo county.

The unemployment director said that close to 2000 families are in dire need, and the full sum of \$350,000 will be needed.

J. P. Cambiano said the skilled men had "lost their pride" and were willing to do any kind of work to feed and clothe their families.

Supervisor Thomas L. Hickey spoke on the seriousness of the unemployment situation as he has found it in his district in Northern San Mateo county.

Preliminary notes by Supervisor James were read by Roy N. Bishop, chairman of the planning commission, outlining projects which could be undertaken under the \$350,000 bond issue.

Survivor Reports
James' report said the unemployment relief divides itself into two main heads:

1—Direct relief by cash, food and clothing.
2—Work relief.

Portion of the necessary direct relief has been provided for in county social service budget for 1932-33 in the amount of \$99,198. This item is for food, milk, groceries and other forms of direct relief. The social service budget also provides \$2,400 covering overhead and miscellaneous expenses connected with unemployment relief.

The Memorial Park budget contains an item of \$22,029 for unemployment relief, which is designed to cover the employment of 25 men per week in Memorial Park during this fiscal year.

In order to present the problem as a whole, James tabulated the total county funds which will be available if the proposed bond issue is approved, as follows:

Social Service Direct Relief \$99,198
Social Service Unemployment 2,400
Memorial Park Unemployment 22,029
Proposed Bond Issue 350,000

Total Funds to be Available \$473,627
Assuming that the Social Service Department appropriation will take care of necessary direct relief, and that the Memorial Park budget covers necessary work to be done in Memorial Park during this fiscal year, the problem narrows down to the following items:

1—Useful work on county beaches.
2—Useful work on county fire trails.
3—Useful additional work in Memorial Park.
4—Useful work on county roads.
5—Other useful work which may be suggested.

Hugh Pomeroy, advisor to the county planning commission, is preparing a report on work to be done on the county beaches, James said.

County Charter Will Save Quarter Million Dollars, Howell Says in Talk Here

Saving of a quarter of a million dollars in the operation of San Mateo county's government will be possible under the proposed charter to be voted on in November, James B. Howell of Atherton, chairman of the board of freeholders, declared in a talk here Tuesday night.

Howell, dispelling any reports that the charter was designed by "consolidationists," says the document contains not one word on annexation to San Francisco.

Howell's address was made in the Central school under the auspices of the Redwood City Promotion Association, Attorney W. H. Morrissey, president of the body, presiding. The small number of interested citizens—about 75 were present—was disappointing.

The speaker declared that taxation has become a vexing problem to the American people and that the only way effective tax reductions can be secured is by changing the form of government.

Cites Road Costs
Howell, citing that \$350,000 were spent last year in this county on 350 miles of roads, or \$1000 per

mile, declared this cost double that of the average in California. Some counties, he said, spent as low as \$250 per mile. He did not criticize the supervisors for this, declaring they were operating under archaic laws designed in the days of horses and carriages before automobiles and paved highways were known.

"Can anyone except a competent highway engineer spend the hundreds of thousands of dollars which are going to roads in this county yearly and do it economically?" he asked. "The supervisors can do it honestly, but not economically," he answered.

Election costs were cited as a second extravagance in San Mateo county, Howell stating that this county spent \$62,000 to permit 22,000 citizens to vote, or \$2 per head, while San Bernardino spent but \$39,000 for 79,000 registered citizens, or 50 cents a voter, he said.

Restores Gov't to People
The charter will bring the government back to the people, he declared, in taking away the necessity of running to the legislature every two years and asking

**CLEANERS IN
COURT ACTION**

An injunction to prevent the Sterling Cleaners Ltd., of Redwood City, to charge less than 75 cents for cleaning of men's suits and women's dresses and coats was sought today by the Peninsula Cleaners and Dyers Plant Association in a complaint filed with County Clerk Elmore B. Hinman. Five hundred dollars for attorneys' fees are asked.

The local firm has reduced the price to 49 cents, according to the complaint.

Sterling Cleaners hold membership in the association, which was formed in November, 1931, for the purpose of keeping the prices from falling below the basic cost of 75 cents.

**Three Drunk Driving
Cases in Palo Alto**

Three cases of alleged drunken driving will come before Police Judge John Springer in Palo Alto police court tomorrow, at which time the following will face the magistrate:

Samuel Shortridge Jr., of Menlo Park, son of the retiring senator; Charles R. Thorburn, superintendent of the Dumbarton bridge, and Maynard Craig, 22, of San Jose.

Thorburn was arrested Saturday when his car collided in Palo Alto with one occupied by Frances and Catherine Dray, teachers at the Katherine Branson School, Marin county.

DIVORCE AWARDED
Calvin W. Houseman today was granted an interlocutory decree of divorce by Superior Judge Franklin Swart against Maude Julia Houseman on the ground of desertion.

**TIME CLOCK
FOR POLICE

**Night Officers Are to
'Check in' at
Menlo Park**

MENLO PARK, Sept. 30.—Purchase of a time clock and five key stations for use of the Menlo Park police in nightly patrols of the city was authorized by the city council at its meeting last night.

Installation of such a system to check up on the night patrols was advocated by Councilman E. J. Crane, who is police commissioner. It "would be a benefit to the officer," according to Crane, and would remove all doubt as to where the officer might be during his rounds. Cost of the checking system was said to be \$55.

Five Stations
The five key stations are planned by Crane to be installed as follows: at the O'Kane gate on Oak Grove avenue, at Creek drive and Arbor road, at Santa Cruz avenue and Arbor road, at Hoover street and Valparaiso avenue and midway on Hiawatha way.

Contract for the construction of two brick storm water drain tanks, one on Santa Cruz avenue near the highway and the other on Menlo avenue near the highway, was awarded to John W. Morey on his low bid of \$430. A bid of \$435 on this job was made by Ferrell and Retinial. The latter firm was given the contract to build a small section of concrete gutter at Santa Cruz and Menlo avenues on a bid of \$34. Morey's bid on this job was \$52.

To Patch Pavement
The council appropriated \$75 to patch some 87 pavement holes, mainly in old pavements in the town. Appropriations of \$15 for laying screenings to connect the sidewalk in front of the grammar school with that at Oak Grove avenue and for \$42.50 to repair the police car were also made.

A resolution opposing the proposed state constitutional amendment No. 22, proposing the transfer of certain highway funds to pay interest on highway bonds, was adopted by the council.

Veterans on Hand
Except for Bob Alber and Leo LeRoy, who are at the University of San Francisco, all of the veterans of last year's quintet will be on hand again and are awaiting the announcement of the Eagles' plans.

Among the available candidates are John Weil, Gene Jordan, Gordon McLachlan, Pete Lawlor and a host of others, plus several new prospects who should strengthen the squad considerably. Outstanding among these is Jack Sheehan, former San Mateo Junior College star.

Last year's league competition, and particularly the play-off series between the Eagles and the Burlingame Ramblers for the championship, built up a large following of local fans who will be on deck.

Good Games in Prospect
Games with the Olympic Club and the Santa Clara varsity have been virtually assured provided the Redwood City team's strength is up to par.

Meanwhile, the championship Ramblers are off to an early start with two victories under their belts already.

Members of the Eagle athletic committee include, in addition to Stebenne, Frank Schottler, C. E. Rockhold and Harry Bourquin.

CATHOLICS TO PARADE ON SUNDAY

Archbishop Hanna to
Dedicate Parochial
School Here

Redwood City will be the scene of an elaborate church procession and outdoor service Sunday, October 2, when Archbishop Edward J. Hanna visits the community to dedicate the new Mount Carmel Parochial School at Grand street and James avenue.

The archbishop will be met at the station by the men of the Mt. Carmel parish and escorted to the corner of Main street and Broadway where the colorful procession will form and begin the march to the new school building promptly at 2 p. m.

Bands and bugle corps, Knights of Columbus delegations, and drill teams of the Young Men's Institute and Young Ladies' Institute from San Francisco and nearby peninsula communities will take part in the parade. The drill teams will be in their usual colorful uniforms. Other organizations, lending color and music and a military aspect to the parade, will also swing into action.

Neylan To Speak
Following the dedication ceremony at the new school, John Francis Neylan, prominent San Francisco attorney and regent of the University of California, will deliver an address on patriotism, at the conclusion of which the American flag will be hoisted to the top of the school mast.

The flag for the occasion is being donated by the George A. Evans Relief Corps, the organization that has donated a flag to each of Redwood City's schools, public and parochial alike.

Following the colorful flag raising ceremony, Archbishop Hanna, assisted by Father John Cavanaugh, pastor of Mt. Carmel Parish, and Father William Flanagan and Father John Kelly, assistants, will give the Benediction of the Blessed Sacrament in an impressive outdoor service.

Hundreds Due
Hundreds of out-of-town visitors are expected to throng Redwood City Sunday to witness the colorful pageant and outdoor ceremony. The affair was arranged under the direction of Sumner C. Caldwell, general chairman, who was assisted by the following vice chairmen: Paul McCarthy, V. J. Malone, Dan Stafford, Edmund Scott, Paul Madden, Chief of Police Collins, P. A. Ryan, L. W. Jenkins and E. L. Jakubik.

The new Redwood City parochial school is one of the finest and most modern buildings of its class in this part of California. Father John Cavanaugh, pastor, was the directing force that made this addition to Redwood City possible.

**Nogales Judge
Is Visitor Here**

The Hon. William A. O'Connor, judge of the superior court in Nogales, Ariz., passed part of this week in Redwood City, his boyhood home. Judge O'Connor attended school here in the 70's. In 1879 the family moved to Napa, where he completed his neglected education and fitted himself for the teaching vocation. Later he studied law and practiced his profession in Arizona. He has ably held the office of superior judge for several terms, and is highly respected by the citizens of his city and county.

**Club Fetes Fourth
Anniversary Here**

Yomecan Club members, honorary and active, and past presidents made up an attendance of 25 at the celebration of the Yomecans' fourth anniversary last night in Hotel Sequoia.

Review of the club's activities in community service since the presentation of its charter September 21, 1929, was given by Norbert Lambert, past president. Among the other past presidents in attendance were Ed Brook, Edward Greulich, Edwin Holmquist and Frank Delucchi, who was chairman of the evening's program.

Musical numbers included clarinet selections by Billy Dusel.

Honorary members offering their congratulations to the club on its birthday were John Gill, E. B. Hinman, Dr. W. B. Langston, Edmund Scott and Roy A. Hoberger.

A birthday cake was cut by the president, Elbert Thomas, who presided.

Mr. and Mrs. Marshall P. Madison are among the Menlo Park people who have already closed their peninsula homes and returned to San Francisco for the winter.

**Poole Enjoying
Fishing Trip**

Supervisor John W. Poole is enjoying a fishing trip in Crescent City, Del Norte county, after his strenuous campaign for re-election. He is accompanied by Max Leonard, county horticultural commissioner, who at one time lived in that county and knows the good fishing streams. Mr. Poole will be home next Monday. In the meantime his numerous friends in Redwood City are whetting their appetites for a trout dinner.

**COUPE, TRUCK
IN COLLISION**

Melina Begard, 44, of 917 Kearney street, San Francisco, escaped uninjured after her coupe home bound dragged 100 feet following a collision with a motor trailer on the Bayshore highway at Brewster avenue shortly before midnight last night.

According to the report filed by Officers Manfred Waberg and Frank Chevalier of the state traffic patrol, the Begard machine overtook a truck driven by Amos MacKean, 32, 709 Fifth avenue, Oakland, and after sideswiping the trailer became engaged in its left rear wheel.

The right side of the automobile was badly damaged.

"GOLD RUSH"

Phoney money will be used during gold rush celebration at Yreka, Cal., next month and above is George W. Means, old-time prospector, whose face will adorn the lure. Means is shown panning dust on his claim west of Yreka.

The much coveted medal of the Order of the Purple Heart has been awarded to Roy Mingins, court reporter to Superior Judge Conlan, for distinguished overseas service. The award revives an order founded by George Washington and gives recognition to men wounded in action or who performed meritorious service.

Mingins, a lieutenant in the 364th Infantry, 91st Division, was in the advance through the Argonne on September 26, 1918, when a German shell shattered his leg, necessitating its amputation. He was awarded two silver stars for gallantry in action and, following his recovery from his wounds, took the army rehabilitation course in stenography and became a court reporter.

Mingins is well known in Redwood City, having been appointed the superior court reporter for the war. He held the position for several years, making good and becoming popular with all the attorneys practicing in the superior court.

ARE LOOTED**

Four Places Visited
By Thieves; Loss
Not Large

Forty-two dollars in cash, a radio, 35 gallons of gasoline, and a quantity of cigars were obtained by one or more burglars who entered three places in a week-end crime wave on Kings Mountain and La Honda, according to reports filed today with Sheriff James J. McGrath's office.

A fourth place was broken into but the thieves were frightened away by a woman's shouts, Deputy Sheriff Thomas Maloney reported.

Store Entered
Two separate night visits were made to the Bartley & Woodhams realty office and store at the intersection of the La Honda and Alpine roads. In the first visit the burglars broke the lock off the outdoor pump and stole 25 gallons of gasoline, and entered the store to steal three cartons of cigars and two boxes of candy.

The following night the place was broken into again and the combination was knocked off the safe. The strong box gave up \$202.73, thieves also took 12 gallons of gasoline and two quarts of oil.

Radio Taken
A radio was stolen from the week-end home of Mrs. Alice Wisel on the Comstock road, near the Half Moon Bay road, on Kings Mountain. Entry was gained by ripping off a screen on a side window and breaking the pane of glass. Nothing else was disturbed in the place. Deputy Sheriff Maloney was informed.

The attempted burglary was at the home of S. M. Bowen on Kings Mountain. The entry was attempted at 11 o'clock Saturday night. A small rubber tipped doctor's mallet was used to break a pane of glass. Deputy Sheriff John T. Simpkin found.

A Mrs. Wise, who was in the house, shouted on being awakened and frightened the burglars away.

**MAN'S INJURY
BRINGS QUIZ**

SOUTH SAN FRANCISCO, Sept. 30.—While James O. Troy, 29, steel worker, of 7 Chapman avenue, this city, lay in the South San Francisco Hospital with a skull fracture in a serious condition, San Francisco police and Health Officer J. C. Geiger sought to learn why his injury was not discovered earlier when he was treated for alcoholism.

Troy was treated at the Park Emergency Hospital, San Francisco, following a fight precipitated by automobile accident, and then jailed, only to turn up 24 hours after his release with a skull injury in the local hospital.

The steel worker was bailed out of jail by his wife, who says he does not drink. When he appeared before Judge Lazarus in San Francisco, Troy was still dizzy. Taken before a doctor, the skull fracture was found.

**Offers for Federal Building
Site in Redwood City Will Be
Opened in Washington Oct. 11**

Proposals are now being solicited by the government for the sale or donation to the United States of an appropriate site for the federal building which is to be erected in Redwood City. The proposals will be opened October 11, in the office of the supervising architect, Treasury Department, Washington, at 9 a. m.

According to information received by Postmaster Carl Mable, the government prefers a corner lot containing approximately 29,000 square feet, with a dimension of about 160 linear feet on the more important of the two street frontages.

It is specified that the site, which is chiefly for postoffice purposes, must be centrally and conveniently located.

Sites having different dimensions will be considered if the area is approximately the same as that specified.

\$115,000 for Site, Building
The government has appropriated \$115,000 for the site and building.

The structure will provide quarters not only for the postoffice, but also, it is expected, for such other federal agencies as may be necessary.

After the offers are opened in Washington, an agent of the Treasury Department will be sent to make a personal examination of the proposed locations and such others as he deems desirable, and to investigate the reasonableness of the prices placed on the properties as compared with recent sales of real estate in that vicinity.

The department selects the site and, if the property is to be acquired by purchase, accepts the offer of the successful bidder, subject to certain conditions and the attorney general's approval of the title. No intermediary between the landowner and the government is necessary.

While it is advantageous to all concerned to have proposals submitted at the date fixed, in those cases where it is impracticable to submit an offer then, belated proposals will have due consideration if received before the department makes its selection.

Buildings to Be Moved
Buildings, if any, on the site should be reserved by the vendor, to be removed upon 60 days' notice (usually) after payment for the land has been made.

Plans for public buildings are taken up in the order in which the titles to the sites therefor are vested in the United States, and the contracts for their construction are let at as early a date as practicable.

**FIRE RAZES
GARAGE AT
ATHERTON**

ATHERTON, Sept. 30.—Fire of mysterious origin broke out at 11 o'clock Wed. night in a garage filled with linen and household goods at the home of G. B. Peterson, wealthy San Francisco salmon packer, and was under investigation of Police Chief Edward Farrell and Fire Chief Thomas Cuff here today.

The Peterson family had closed their summer home and packed the goods in the garage preparatory to moving to San Francisco for the winter. They were absent from the home at the time of the fire, which was discovered by the maid.

Damage, Mrs. Peterson reported, will run in excess of \$2000. The house, which was scorched, belongs to Mrs. Joseph Grant, and is situated at the corner of Selby lane and Stockbridge avenue.

The garage and linen and household goods were destroyed. Fire Chief Cuff of the Menlo Park Fire District laid four lines in checking the flames.

**\$20,000 Improvement
Gets Approval in S.M.**

SAN MATEO, Sept. 30.—Permission to make a \$20,000 improvement in its oil station on El Camino Real and the Crystal Springs road was granted to the Shell Oil Company by the city planning commission here last night.

Menlo Park will have a large registration at the November election. Registrars in town have been very busy for the past two weeks registering those who came to Menlo Park from other communities during the summer. It is estimated that there will be over 500 new voters.

ROOSEVELT ONCE CLASSED AS INTERNATIONAL BANKER

Franklin D. Roosevelt, self-appointed crusader against the so-called "international bankers," has been discovered to be a member of this same fraternity. This was disclosed here in an advertisement uncovered in an issue of the San Francisco Chronicle, October 12, 1922, in which Roosevelt, as president of the "United European Investors, Ltd.," made an appeal to the American public to buy German marks.

The Chronicle in a two column editorial refers to the Democratic presidential candidate "hurling brick-bats at the administration from a house all glass." The advertisement reproduced by the Chronicle offered investing Americans an opportunity to be a millionaire in German marks for the modest expenditure of \$200.

Chester Rowell, noted journalist, in an adjoining column, however, points out that Franklin Roosevelt's golden opportunity offered the public subsequently was found to have a false glitter when the mark could be purchased in quantities of one trillion for a dollar.

The editorial says in part:

"From this glass house Candidate Roosevelt hurls his rocks at the 'international bankers' gyping the unsuspecting American public with worthless foreign securities."

"What is an 'international banker'? There has never been a definition. The 'international banker' is one of those smoke figures conjured up with the aid of loud shouts and snake dancing. But if an 'international banker' is one who hangs before the innocent American people a bait of 'large earnings and dividends' of foreign industries, etc., then it appears that in 1922 Franklin D. Roosevelt was an 'international banker'."

"Was the American public ever worse gyped than it was with these German securities in 1922, in the 'large earnings and dividends' of which United European Investors, Ltd., Franklin D. Roosevelt, President, invited the American public to participate just before the crash came?"

"But—it does not lie in the mouth of Franklin D. Roosevelt to make these charges against other 'international bankers.' He lives in a glass house and over it is the sign:

UNITED EUROPEAN INVESTORS, LTD.
Franklin D. Roosevelt, President.

The Woodside Gardeners' Association will hold its regular meeting on Monday evening, October 3. An exhibit is planned and prizes will be awarded for best potted plant; best vase of twelve roses, mixed; best three dishes of fruit, three kinds; best vase of uncut flowers. Nomination of officers for the coming year will also be a feature of the meeting.

The Woodside Girl Scouts and their cousins, the Brownies, held their first meeting of the year at the home of Mrs. Roberta Pleas on Wednesday afternoon. They start this year with the largest enrollment they have yet had.

The regular monthly meeting of the Parent-Teacher Association will take place next Thursday afternoon. A card party to be given by the association has been announced for the evening of October 7.

Mr. and Mrs. Alexander Donald (Bachia Pond) are spending their honeymoon at Vancouver.

Mrs. Merrill Morshead was hostess on Saturday at a "Silver Tea" given to raise funds for the Junior League. The silver tea is reminiscent of the old Spanish custom on the California ranches when it was considered highly improper to accept pay in return for hospitality but it was conceded that a prosperous traveler might, if he desired, leave a gift to be at the disposal of less fortunate travelers who might come that way. A little pile of coins was kept on the table in the guest chamber, covered by a napkin to which money might be added or from which what was needed for honor with the host never to count the coins to discover what one might have left or another taken away, but when the pile dwindled, it was replenished from the coin chest of the host.

HUNGER MARCH HIT BY JOBLESS AT MENLO PARK

Disapproval of the policies of the San Mateo County Unemployed Council, which plans a "hunger march" for October 17, were voiced at the meeting held by the Jobless Unit of Menlo Park Thursday evening. A letter to the board of supervisors of San Mateo county is being drafted by the secretary of the unit with a view to informing the board that the Menlo Park group is not in sympathy with this plan or with the general attitude of the council. Among the visitors to the meeting were Capt. and Mrs. J. W. Glover, co-managers of the Palo Alto Shelter, and Miss Florence Boddy, San Mateo county school nurse.

Miss Clara Dills, San Mateo county librarian, was the speaker Tuesday evening at a meeting of the Lomita Park Women's Club at the home of the president, Miss Beatrice Decker. Mrs. Ethel Skelenger, book section chairman, was in charge.

Relief Corps To Present Flags To Schools Here

General George S. Evans Relief Corps received Mrs. Carrie L. Hoyt of Berkeley, past national senior vice president of the Women's Relief Corps, who, as inspector this year, paid her official visit to Redwood City Friday.

The reception was preceded by luncheon at the Del Monte grill. Mrs. Arthur V. Swift was in general charge.

The local corps has a busy week planned. Monday, a group departed for Pigeon Point where they presented a flag to the school there.

Another flag presentation will be made Sunday when Our Lady of Mount Carmel Church dedicates the parochial school at Katherine and Grand streets.

Week-End Gay As Season Wanes On Peninsula

Although the summer social season on the peninsula will come to an unofficial close with the first of October, there was no lack of activity this week-end. The largest of the parties was the dinner dance given by James Flood at "Linden Towers" Saturday evening for Miss Grace Hamilton and her fiancé, Bruce Kelham. A dozen guests were invited for dinner and seven additional couples for dancing. In the dinner group were Mr. and Mrs. Clarence Postley, Mr. and Mrs. George Pope Jr., Miss Elena Musto, Miss Patricia Tobin, Miss Ines Mejia, Peter Folger, Gordon McIntosh, and William Morgan.

W.C.T.U. Hears Marion Wood

The Women's Christian Temperance Union of Redwood City, meeting Monday afternoon at the First Methodist Church, heard Mr. Marion Wood of Corvallis, Ore., in a talk on the prohibition question. The meeting was largely attended by members and visitors including a group from the Presbyterian Church in Menlo Park accompanied by the Rev. W. L. Bone, pastor of that church.

In line with the semi-monthly meetings recently decided upon by the union, another meeting will be held Monday afternoon at 2 o'clock, when study of the Wright Act will be continued and a speaker will be heard in further discussion of the subject.

Mrs. R. E. Stephens presided Monday in the absence of Mrs. August Mengler, the president.

Society Hears Talks on Alaska

Twenty-three young people of the Congregational Church Christian Endeavor Society enjoyed four interesting talks on Alaska at the regular missionary meeting last Sunday evening.

Adolph Ott, who has just arrived from Alaska, told about life in the Holy Cross mission where he has lived for the past six years. Miss Ruth Steiner and Robert Steiner showed numerous interesting pictures and told about missionary and missions around Nome and Wales where they lived about eight years ago. Miss Ann Ott was in charge of the meeting and gave a talk on the history of Alaskan missions and showed samples of Eskimo and Indian handicraft.

The last of the series of garden teas arranged by the Auxiliary to the Stanford University Club for the summer months will take place October 7 at the Woodside home of Mrs. Samuel Pond. Mrs. Pond's garden is considered one of the most beautiful on the peninsula and is now gorgeous with autumn color. The tea will be held through Mrs. Pond or Mrs. Frank H. Buck.

MRS. TODD HEADS BI-COUNTY W. C. T. U.
Mrs. M. A. Todd of San Francisco was re-elected president of the San Francisco-San Mateo bi-county Women's Christian Temperance Union Tuesday at the annual meeting of the organization held in the Glendale Memorial Church. Other officers chosen were Mrs. Beatrice Coggins and Mrs. Lottie E. Neale, vice presidents; Mrs. Howard Rigdon and Mrs. Francis C. Gilmore, secretaries, and Mrs. N. L. Ebey, treasurer.

V. F. W. TO GIVE CARD PARTY SATURDAY NIGHT
Corps James Lindsay Wilson Post, No. 2310, Veterans of Foreign Wars, is giving a card party Saturday evening at 8:15 in the auditorium of Washington School on Woodside road. The price of score cards is 25 cents, including refreshments. L. E. Roy is chairman.

MENLO PARK WOMEN TO CONDUCT FOOD SALE
Menlo Park unit, American Legion Auxiliary, will conduct a food sale Saturday, October 1, in the Menlo Park Biggy Wiggy store on Santa Cruz avenue. The sale will open at 10 a. m.

A new intercontinental air service, scheduled to be put into operation before the end of 1932, has been chartered from Belgium to Northern Rhodesia.

SPEND WEEK-END IN FRESNO
Mr. and Mrs. E. A. Fletcher were visitors in Fresno during the week-end.

McKinley Circle To Have Display Of Old Quilts

McKinley circle of the First Methodist Church is arranging an old-fashioned quilting party for the evening of October 20 at 8 o'clock when quilts, both old and new, will be displayed in the church parlors.

Anyone may enter quilts. Two prizes will be given, one for the oldest and one for the prettiest. It is especially requested of those making entries that they send a history of the quilt. Mrs. Clinton Gleason, who, with Mrs. Clarence Mossman, is acting as general chairman of the affair, is in charge of receiving entries. Her telephone is Redwood City 1906-R.

Other committees include Mrs. Harry Reed, Mrs. J. A. Snider, Mrs. W. A. Levison, Mrs. H. L. Fletcher, Mrs. A. A. Arends, Mrs. Aruna Davies, Mrs. H. Ellingson, and Miss Sadie Layng, decorations; Mrs. Fred Schmitz, publicity and tickets; Mrs. J. A. Buhler and Mrs. Mossman, program.

There will also be a room devoted to the display of antiques. The charge for admission has been fixed at 25 cents.

University Women Confer At Asilomar

Nine members of the Palo Alto branch of the American Association of University Women attended a regional conference at Asilomar Saturday. Those who went down from this community were: Mrs. Robert Conannon, state chairman of the speakers' bureau; Mrs. F. H. Gleason, vocational education chairman; Mrs. Howard S. Taylor, program chairman; Mrs. J. E. McDowell, president of the branch; Mrs. Donald C. Frames, Mrs. Robert E. Hackley, Mrs. George T. Royden, Miss Lulu Sours, and Mrs. Frank Weymouth.

Monterey county branch was hostess. Its president is Mrs. H. R. Youngman, who was Miss Myrtle Venske, a teacher in the Palo Alto High School 12 years ago. Miss Alice Anderson of the State Teachers' College at Chico presided.

The day's speakers gave addresses on the general subject of the International Association of University Women. They were Dr. Aurelia Reinhardt, Dr. Anna Shipley Cox Brinton and Dr. Esther Calkin Brunauer.

Dr. Reinhardt, who is national chairman of international relations, spoke of "One Phase of the Edinburgh Conference." After praising the inspiration of Scotland and the hospitality of the Scotch people, she discussed the challenge of the European educational system to the American institutions.

Dr. Brinton, who received her Ph.D. degree from Stanford in 1917, emphasized the fact that the conference brought together the specialists and those who travel abroad. She said, "It was her unforced situations of life. It was her contention that Americans should learn to further the work of discovery and then make use of that discovery."

The work of the Marathon round table groups was described by Dr. Calkin, also a Stanford Ph.D. These, she explained, are held under the committee on cause and cure of war. "It is more difficult," she said, "to convert the woman next door to the reduction of armaments than to send a wire to Washington, or a letter to the League of Nations."

LODGE MEMBERS HAVE STUNT NIGHT PROGRAM
Members of tribes and councils of the Improved Order of Red Men and Degree of Pocahontas on the peninsula, assembled in Palo Alto Friday night for the quarterly "stunt night" of the Peninsula Red Men and Pocahontas Associations. The host and hostess groups were Sagamore Tribe and Tawanka Council of Palo Alto, who entertained their guests in Native Sons Hall.

Several amusing stunts were staged by council and tribal groups, among which were "Planation Days," by Wanda Council, D. of P., and Navajo Tribe, I. O. R. M. of Santa Clara; "The First Night Camping Out," by Tawanka Council and Sagamore Tribe, Palo Alto; "The Protested Bath," Tawanka Council; "The Maneuvers of the Trained Flea," by Zanetta Council of Los Gatos; a reading, "Forty Years Ago," by a member of Minequa Council of San Jose; musical numbers by the Redwood City Fire Department orchestra, presented by Metamora Tribe and Indiana Council of Redwood City; a reading, "Letter from a Debtor," by a member of Tawanka Council, and songs, dances and music by a hay-wire orchestra presented by Sagamore Tribe.

The entertainment was followed by a banquet served by Tawanka Council, and the affair was concluded by dancing. The next "stunt night" will be held in December as the guests of Minequa Council and Gowonga Tribe, San Jose.

Mrs. Alma McMillan today had been granted a final decree of divorce from Paul K. McMillan by Superior Judge George H. Buck on the ground of non-support.

Visitors Honored At Informal Bridge Party

Mr. and Mrs. A. C. Argo entertained informally at bridge Saturday night in honor of their guests, Mr. and Mrs. Alfred Puchner, who were here from Portland for a few days.

Invited to meet them were Mr. and Mrs. Otis M. Carrington, Mr. and Mrs. Donald L. Bogie, Mr. and Mrs. S. S. Mayo, Mr. and Mrs. Willis G. Frost, Mr. and Mrs. Edwin De Smith, and Mr. and Mrs. D. Fred Gatchell.

The party was one of a number planned by the Argos for the fall and early winter.

Delphians Hear Play Review

Alpha Zeta Chapter of the National Delphian Society, at its meeting Tuesday in St. Peter's Episcopal parish house, heard a review of Rachel Crother's new play, "As Husbands Go," by Mrs. C. C. Filsinger.

Topical reports on the year's study, "Art" were made and visits to various art displays discussed. The next meeting on October 11 will be conducted by Mrs. R. A. Hoberger.

De Molay Degree Conferred by Second Degree Team

Candidates for Redwood Chapter, Order of De Molay, received their second degree Tuesday night when the second degree team conferred the honor upon Robert Pinkham, William Britton, Donald Dean, Donald Peterson, and Cornelius Medvedsky. The team, which was coached by Arthur Lampkin, is made up of Zeph Dupont, Hugo Anderson, Max Green, Robert Boyer, James Edlin, Clarence Stiles, Clifford Pinkham, Edward Potts, Henry McCausland and Ernest Bevilacqua.

Edward Potts reported on the hard times degree sponsored by the chapter, September 17. Another degree is planned for Halloween night. It will be given in the Masonic Temple where the chapter holds regular meetings.

A picked team of feminine baseball enthusiasts from the Menlo Circus Club slugged, and slid their way to a mammoth victory over a Burlingame team Saturday. The score, 42 to 24, indicates the number of thrilling home runs and other sensational coups.

Mrs. Clarence Postley captained the circus club team, which also included Miss Max Leona Anderson, Miss Florence McCormick, Mrs. Warrington Dorst, Mrs. Heber Tilden, Miss Elena Musto, Mrs. Ernest Ophus, Miss Frances Stent, and Mrs. Merrill Morshead. Mr. James M. Davies captained the Burlingame group. For a return engagement at Burlingame next Friday, the upper peninsula nine is being desperately reinforced.

Not that baseball has become a girls' game at the circus club. Two teams of stern-faced men battled for supremacy yesterday afternoon under the leadership of Hal McCreery and Ernest Ophus. McCreery's prowess in football apparently deserted him, for the Ophus champs chalked up the higher score.

Something like big league baseball is planned for next Sunday, when the San Francisco Seals are expected to come down for a tilt with an all-star nine selected from Menlo Park's doughiest.

Mrs. Merrill Morshead was hostess at a "silver tea" for the Junior League Saturday afternoon at her home in Woodside.

Mrs. Edward E. Eyre recently returned to her Atherton home after a summer in France with her mother, Mrs. de Lenclos. The family has a villa near Paris.

Mr. and Mrs. Marshall P. Madison are among the Menlo Park people who have already closed their peninsula homes and returned to San Francisco for the winter.

Mr. and Mrs. G. Baltzer Peterson, who have lived in Atherton since their marriage, have also gone up to town. They have an apartment on Pacific avenue.

The Selah Chamberlain apartment is now being occupied by the Chamberlains' son-in-law and daughter, Mr. and Mrs. Phelps Hunter.

Mrs. Jackling In Charge of Benefit Sale

Mrs. Daniel C. Jackling of Woodside, president of the Girls Recreation Club of San Francisco, will be in active charge of the annual rummage sale for the club's benefit in Larkin Hall Exposition Auditorium on October 26.

All kinds of clothing for men, women, and children, household furniture and bric-a-brac will be offered for sale at nominal prices. Other officers of the club board are Mrs. Selah Chamberlain, first vice president; Mrs. Alexander Hamilton, second vice president; Mrs. Athol McBean, corresponding secretary; and Mrs. Harry Scott, recording secretary.

Assisting them will be Mrs. G. L. Cadwalader of Woodside; Mrs. L. K. Harris, and others from the peninsula.

Date Is Set For Mothers' Club Chrysanthemum Tea

On October 27, the Herbert Hoover home on the Stanford campus will be the setting for the third annual Chrysanthemum Tea of the Mothers Club of Stanford University. In this way the public will again be given an opportunity to visit the president's California home and, at the same time, to assist the mothers' club in maintaining its student rest homes.

The date was set and committee chairmen named yesterday at the first executive board meeting of the club since the summer recess. Mrs. Thomas A. Storey will be general chairman, Mrs. Frederick Hall Fowler and Mrs. Horatio Stebbins will have charge of the sale of chrysanthemums and Mrs. A. M. Cathcart will direct the sale of tickets—the price is to be \$1.

Mrs. George V. Lawry, the newly elected president of the club, announced the appointment of the following committee heads: Social, Mrs. George E. Culver; hospitality, Mrs. Royce R. Long; welfare, Mrs. Richard Locke; scholarship, Mrs. Frederick Hall Fowler; rest homes, Mrs. Edwin J. Thomas; decorating, Mrs. Clark B. Whittier; parent-teacher association representative, Mrs. E. K. Strong, and benefits, Mrs. Thomas A. Storey.

Mrs. Halcott C. Moreno was appointed treasurer to fill the vacancy left by the resignation of Mrs. Moreno.

The annual picnic of the Central Council of Civic Clubs of San Francisco will be held at the spacious grounds of the Menlo Park Hotel on Sunday. A record crowd is anticipated. The entertainment program, provides amusement and interest for many tastes, and there is to be a special feature for the youngsters.

YOU WOULDN'T HURT THEM FOR THE WORLD and yet....

many homes have light that's ruinous to eyes!

No one intentionally wants to have poor lighting in the home, especially when young folks must study and read at night. But many people do go on living with light that is ruinous to eyes.

There is for example the very faulty belief that light must come from over the left shoulder. No one knows just how such an idea started... but it's all wrong. Good light to read by should come from all around; abundant light, not mere brightness; plentiful light, broken-up, softened and diffused.

Unshaded lamps, no matter how bright they may seem, are almost as far behind the times as clustered candle light or coal oil lamps.

Use plenty of light from globes of sufficient wattage, shade them properly and arrange them to light the whole room and you are employing the best use of modern lighting. The comfort you will get from such use of light will surprise you, especially if you have been using light that glares and tires the eyes. Also the low cost of good lighting will surprise you. The cost of light, both for lamps and for current, has been going down for more than fifteen years.

Make a test and see how great a comfort abundant light can be and how fine a preservative it is of eyesight and eye usefulness. Light the whole room, have light that fills the room and comforts the eyes. Forget about old notions such as spotting light from over the left shoulder.

Menlo Park

In the absence of Mayor Weed, who is attending the League of California Municipalities at San Diego, Councilman Hart was chosen chairman of the council meeting Tuesday evening. Hart displayed much ability as a presiding officer.

The chief of police was authorized to install a time clock within the city limits. The clock is to cost \$55. The four stations of the system are to cost \$5 each. The stations are to be located, one at O'Kane gate, Oak Grove avenue, another on the Creek drive and Arbor avenue, one at Santa Cruz avenue and Harbor avenue, and one at Valparaiso and midway in Hermosa Way. Through the efforts of Councilman Crane the system was brought to the attention of the council and adopted.

John W. Morey was awarded a contract for two storage water drainage tanks on Santa Cruz and Menlo avenue, similar to the ones on Live Oak avenue designed by City Engineer Mehl, at a cost of \$430. Ferrill and Bettel were also given a contract to put in a concrete gutter at the highway at Menlo avenue for \$34.

Chief of Police Love was authorized to repair the department car at the Acme Garage at a cost not to exceed the sum of \$42.50.

City Engineer Mehl was empowered to repair the chuck holes on the streets at an expenditure of \$75. He was also directed to spend the sum of \$15 for screening to be laid on the sidewalk from the grammar school building on the highway to Oak Grove avenue.

The council adopted a formal resolution urging voters to oppose senate amendment number 22. The council expressed itself as opposed to the expenditure of the highway funds for any purpose other than acquisition, construction and maintenance of roads. The amendment will appear on the November ballot. The adoption of the law would divert the state franchise tax collected from trucks, buses, etc., to the general

fund which would deplete the highway funds.

Chief Cuff of the Menlo Park Fire Department invited the members of the council to be present at the opening on October 3 at the school for firemen. C. W. Stevens will be on hand that evening to give instructions on administrative matters.

The chief of police was instructed to confer with Chief Cuff to reduce the fire hazard at the Hara place on Santa Cruz avenue.

A contract has been awarded to Mr. Causey of Redwood City for the erection of a synagogue and Jewish center for Congregation Beth Jacob and Jewish Center on the creek road, Stanford Park, amounting to \$5000. The beautiful site was selected because of its central location and accessibility for the worshippers from all parts of the peninsula.

The Menlo Park Fire Department was called at midnight on Wednesday to put out a blaze in a garage on Selby Lane. The loss was estimated at \$500. The department was also called to the Dumbarton bridge yesterday morning to extinguish a fire in a trestle on the Southern Pacific railroad near the Carnduff property. Considerable damage was done before the firemen arrived.

The Southern Pacific Company has patched up the chuck holes on the square surrounding the depot. It was only a make shift job that will be of no avail when the rains come. It is to be regretted that the company could not see its way clear to expend some money in making the square a thing of beauty and a joy for automobilists.

Mrs. Edward E. Eyre recently returned to her Alhambra home after a summer in France with her mother, Mme. de Lenclos. The family has a villa near Paris.

Doctor Charles Decker, who passed away in Palo Alto this week, was widely known on the peninsula but particularly in this location. He came to Palo Alto when the city started and there lived in contentment. He visited his dental office in the Flood building every day. Doctor Decker was a loyal native son of California. He was past grand president of the order and for more than forty years attended the grand parlor's meeting annually. Last May the doctor was present at the meeting held at Stockton. Though in feeble health and scarcely able to move, his great enthusiasm for the society he loved, found him at the gathering. He well knew that it would be his last, as did his fellow members, but with extreme effort he sat through the convention. At every grand parlor, a memorial service is held for the members departed during the year. Orators pay tribute to the deceased. This was a sad occasion for Doctor Decker, with bowed head, tears welling in his eyes as he listened to the words, perhaps knowing the same would be said for him at the succeeding grand parlor. Much sympathy was expressed for the pathetic figure. Admiration for the doctor was shown in attention showered upon him by the grand parlor for his loyalty and enthusiasm for the society he aided in organizing. Doctor Decker loved the hills, valleys, traditions and history of California. It is the wish of every Native Son that he will enjoy a pleasant place in the Grand Parlor on high.

The ancient China house, occupied as a Chinese store for many years and belonging to the O'Keefe estate, is to be razed next Monday at the instance of the fire chief. The old building was erected by the late Michael O'Keefe in the latter seventies and for years he used it as a barn when he was extensively engaged in farming. One by one the old land marks are fading from view.

Mr. and Mrs. Alexander Hamilton and Mr. and Mrs. Ernest Stent closed their summer homes at Menlo Park yesterday and returned to San Francisco for the winter.

GIRL SCOUTS HAVE MEETING AND PICNIC

Shooting Star and Chipmunk troops of Girl Scouts held a combined meeting and picnic Friday at the Menlo Park picnic grounds. Mrs. Louis Schelling, chipmunk leader, and Mrs. E. C. Cumphreys, in charge of the Shooting Stars, arranged games and refreshments following a short business meeting.

Paraguay is thought to have the only species of liquor-producing palm tree. The Guaraní Indians tap the tree and its sap drops into little cups. It ferments in a short time and turns into a highly intoxicating beverage.

CO. CHARTER

(Continued From Page One)

that salaries, number of employees, etc., be determined.

The charter provides for the election as at present of supervisors by districts, but, Howell said, an alternative measure will be before the voters in November and they may determine if they prefer the elections "at large."

Officers which remain elective under the charter are those of auditor, assessor, superior judges, district attorney, sheriff, county clerk, and superintendent of schools. Appointive officers will be county engineer, recorder, treasurer, and coroner and public administrator.

Becomes Effective in 1933

The charter, if approved, will become effective July 1, 1933, but all county officials will hold their offices until their terms expire. At that time, if they have proven efficient, the county executive, who is newly-created, will reappoint them.

The document has disbarred any freeholder or any officer holder of the past five years from becoming the chief executive, also called the county manager, or county president.

"There are no bugaboos in the charter," Howell said. "It will provide for economical, efficient and practical government. It will absolutely reduce governmental costs."

The freeholder president revealed that copies have been sent to various California counties for criticism and that 15 have indicated that they would like to adopt the charter for their own governments.

The charter was also declared "the finest in the United States" by a charter league to which it was submitted.

Easily Amended
Upon completion of Mr. Howell's talk, Chairman Morrissey opened the meeting to questions. One of these was put by Henry Beecher, Redwood City councilman, who asked about the method of amending the charter.

Howell declared the document provided for easy amendment, either by a proposal from the supervisors to the people, or by initiative of the people themselves.

Mrs. Mona L. Christensen, a member of the freeholder board, explained that quicker progress could be made in accepting the document and then amending it, than to reject it and necessitate the electing of a new freeholder board, rewriting the document and again submitting it to the people.

While some criticism may be made of the appointive features of the charter, Howell pointed to the national government, in which the people elect only the president, all cabinet officers and departmental heads of the federal government being appointive. He also cited Los Angeles' government, where a single officer—the auditor—is elective.

Speaker Applauded
In order to permit criticism of the charter, Chairman Morrissey said that another public meeting would be held two weeks from last night if a speaker could be secured who would attack the document.

Motorist Arrested As Drunken Driver

Leonard Dolan, 29, of Pacific City, a gardener, was arraigned before Justice of the Peace Percy Jackson, San Mateo, today, on a charge of allegedly operating a motor car early this morning near Belmont while under the influence of liquor.

Dolan's car narrowly avoided a head-on collision with a second vehicle and then nearly collided with the night patrol car containing State Officers Chevalier and Walzberg, the patrolmen reported. The officers arrested Dolan in Belmont at 12:50 o'clock this morning.

Speech to Firemen Halted by Blast

SAN BRUNO, Sept. 30.—Just as Gus Magnuson, San Bruno man, was about to speak at the San Bruno Fire Department banquet September 24, which was in honor of retiring members of the organization, a water heater blew up at the A. Baker home, 340 Euclid street. Firemen hastily abandoned the meeting and went to the scene of the blast. There was little damage.

den, will be requested to prepare a report on the necessary work on fire trails.
As to work in the county park, James suggested that some thought be given to the possibility of building a few rustic cabins which could be given to small fees. He also suggested the building of larger headquarters, county store and warehouse, outdoor barbecue pits for campers, a series of small garbage incinerators, and installation of playground equipment.
County road work, which could be done by hand, was commented upon by James as follows:
"Normal maintenance work, which consists in large part of hand labor, is already provided for in the various road budgets for the 1932-33 fiscal year. Inasmuch as local taxes for road work have been entirely eliminated this year's budget, and expenditures will be confined to balances on hand, plus receipts from state apportionment of gas and other taxes, it is likely that normal maintenance work by the regular county crews will absorb the greater portion if not all of the funds available for maintenance work this year. In any event, bond issue funds should be used for capital expenditures, and maintenance work should not be included.
Consequently the program covering expenditures on road work will be confined to capital expenditures in possibly three classifications as follows:
1—Preparatory work such as clearing and grubbing rights of way for new construction work planned to be let by contract in the near future. In this classification there might be included the installation of culverts and small drainage structures.
The La Honda road from Woodside to La Honda is a good example of this class of work. Clearing of rights of way and installation of culverts on new hill-side construction through heavy timber normally consists of between 75% and 90% hand labor.
Cost of such work will run between \$1000 and \$1500 per mile of road, and the county would probably receive more value from this kind of work by the unemployed than from any other kind. The cost would be held to \$25,000.
2—Light reconstruction work on second and third class roads. This work would include clearing all outside and timber for 10 or 15 feet through sections in heavy timber, as an aid to drying out the roadbed. It would include the cleaning of ditches, and removal of slides, the building of guard rails and fences, limited widening of road beds, rounding off of corners and day-lighting of sharp curves. The maximum expenditures should be held to \$50,000.
3—Light reconstruction work on second and third class roads. This work would include clearing all outside and timber for 10 or 15 feet through sections in heavy timber, as an aid to drying out the roadbed. It would include the cleaning of ditches, and removal of slides, the building of guard rails and fences, limited widening of road beds, rounding off of corners and day-lighting of sharp curves. The maximum expenditures should be held to \$50,000.

A. R. C. FACING BIG DEMANDS TO AID NEEDY

Stating that the American Red Cross is facing its heaviest demand for relief since the World War because of the unemployment situation, A. L. Schafer, Pacific coast division chairman, today wired Mrs. Z. T. Thorning, Redwood City chapter chairman, urging that steps be taken to increase the local chapter's membership this year.

The annual roll call for the Red Cross throughout the nation will start on Armistice day, November 11.

The telegram from Schafer reads as follows:
Mrs. Z. T. Thorning, chairman Redwood City chapter, American Red Cross.

Central committee meeting at Washington today adopted resolution asking all chapters for increased Red Cross membership, stating Red Cross facing emergency caused by heaviest demands for relief since World War. Relief on tremendous scale must still be continued this winter. In absence separate Red Cross call for unemployment relief fund Red Cross confidently looks to people for increased membership support in every community. Central committee therefore urges each chapter take steps assure increase called for by this emergency.

McNab on Air for Hoover Tonight

John L. McNab, distinguished attorney and eloquent orator, will speak on "Leadership in the Crisis," Friday night at 7:45 o'clock over station KGO, KFI and KFSD under the auspices of the Northern California Hoover-Curtis campaign.

McNab is one of the foremost orators in the western campaign that the Republicans are staging for the re-election of Hoover. A resident of Hoover's own home town, Palo Alto, and a close personal friend of the president's over a period of many years, it was McNab who was selected four years ago to make the nominating speech for Hoover at the Kansas City convention.

McNab will discuss the economic problems confronting the nation and outline the reasons why he believes the affairs of the country will be safer under Hoover's leadership during the next four years than any other candidate seeking that office.

Plans for the benefit dance of the Peninsula Police Officers' Association were further advanced today and a record sale of tickets is expected for the affair, which comes on October 8.

Proceeds of the annual ball, of which the forthcoming one is the fifth, will go toward the widows and orphans' fund of the association.

Members of the association include police officers of cities from the San Francisco city limits south to the Santa Clara city limits.

Music will be furnished by Art Wiedner's dance orchestra. Tickets, which may be secured from any city officer, or from the various municipal police departments, cost \$1.

Redwood City 25 Years Ago

Nearly \$2,000 was realized from the ladies' bazaar which closed Monday after three days. More than 100 articles of merchandise were donated by local merchants.

Telephone poles several feet higher than those now in use are being installed on Main street in order to carry the wires above the tops of trees along the sidewalks.

Trustee Hyndling's proposal to submit a bond issue of \$30,000 at the next election has been passed by the city council. It will provide \$10,000 for the construction of a city hall and \$20,000 for the improvement of the water system.

Menlo Park—A building boom is to start here in a few months. The tract opposite Duff and Doyle's is to be occupied by a \$10,000 building and Mr. Murray is moving his old building from property near the depot for the purpose of erecting a new \$8,000 building and hall.

San Gregorio—Dr. D. E. Blackburn is in San Gregorio for the week doing dentist work at Palmer and Bell's.

F. S. Jefford, former county auditor of Tulare county and now connected with the office of the state controller in Sacramento, is in Redwood City helping with the apportionment of taxes in this county.

Bonds of the San Mateo grammar school have been purchased by the First National Bank of Redwood City for \$40,000.

S. H. Bowman, principal of the Belmont school, has moved his family here and has taken the Ford cottage on Fourth street.

Doctor Taylor has sold his property back of Wellesley Park to John Crosby of San Francisco.

William B. Roames has departed for a month's visit with his mother and sister in Albion City, Mich.

MRS. KALENBORN POINTS OUT NEED OF TRAINED GIRL SCOUT DIRECTOR

Sequoia District of Girl Scouts is again in session following the summer vacation, when scout activities were transferred to Camp Chaparral in Big Basin.

With the resignation of Miss Ruth Jaynes, the first director of the district, who has served for two years, the selection of her successor is occupying the attention of the councilors at present, together with the program of local events for the coming year.

Speaking at the first meeting of the year, Mrs. A. S. Kalenborn, district commissioner, emphasized the need for a trained director to continue the high standard of scouting developed in the communities served by Sequoia district and to realize the objectives of the organization. "The value of boys' organizations," Mrs. Kalenborn declared, "in the development and control of youth has long been appreciated, but the public has been slower to recognize that the same needs and conditions exist in girl life. In the stress of the economic stringency of the past few years, the thought prevailed for a time that character building units should defer to the immediate demands of the unemployed in the matter of financial appropriations. Fortunately, the fallacy of this proposed curtailment has been seen, and the necessity of a program psychologically, sociologically, and educationally sound for the new generation is seen."

"In these days of shifting standards and changing ideals," Mrs. Kalenborn concluded, "if civilization is to go forward, we must safeguard the foundations of the next generation with an appreciation of the simpler things, with native resourcefulness, and an ability to work out the separate

aims of men and women by enhancing the value of each. Selfishness, greed, and pride of position cannot be stamped out in adults, but the Girl Scout, growing up under the wise leadership of a nationally trained scout director will have learned from her scout work more of the results of these qualities at 15 than her grandfather would have discovered in a lifetime."

Summer Cottage Looted by Thief

The summer cabin of Mrs. W. C. Nichol, on Big Tree lane, off the Skyline boulevard, near La Honda, was entered and robbed of \$70 in household furnishings in the past 24 hours during her absence, she notified Sheriff James J. McGrath.

Entry was made by use of a pass key. The loot included a radio, bedding and linen, Duponts John Simpkin and Thomas Maloney found on investigation.

Andros, one of the Bahama Islands, has a lake which generates its own soap from its alkaline limestone bed.

"Climate is best by Government test"— A fact, not merely a boast!

Where else is found the combination of hills, trees and flowers and a perfect climate in one locality all within 45 minutes of a business and industrial center? Such is one of the natural advantages which Redwood City possesses.

According to the Smithsonian Institute, this community is the center of one of the three perfect climate belts in the world! For over 36 years this territory has recorded annually an average of 233 clear days as against 132 cloudy and 43 rainy days!

Thus, the sign across the highway, "Climate is Best by Government Test," is not a mere advertising slogan. It is a fact that represents an important reason for our city's 100 per cent increase in population during the past ten years. It represents a magnetic force which is attracting an increasing number of new residents to Redwood City every year!

A growing community constantly provides new opportunities for its business people. And those who are acquiring cash through regular saving will be the ones most likely to take advantage of these opportunities when they come.

This bank urges Redwood City people to begin saving today for the opportunities of tomorrow!
